Guest Speaker
Linsay Julian Edinger, MPH
Veterinary Epidemiologist

Linsay Julian Edinger grew up on a horse farm in Central New York. Ms. Edinger graduated from the University of Wyoming with her Bachelor’s degree in Molecular Biology, focusing her study on the mechanisms of animal disease and physiology. While earning her Master of Public Health in Epidemiology at the University of Arizona, she focused on livestock disease and disease control.

Spring’s Coming!

I hope this issue of the CVCA Newsletter finds you well and anticipating the CNY driving season. Thank you for renewing your CVCA membership for 2016 - the new directory is being printed and will be available at all our events. You’ll note that the 2016 directory lists ALL charter (founding) members of CVCA. Based on comments made by members at various meetings over the past year, the CVCA Board thinks it wise for us to formally acknowledge all founding members and one way to do this is to keep a list of these folks front and center in the directory.

There are many events planned for this year and I hope you can attend most if not all of them. Members who attended our January and February clinics really enjoyed themselves and learned a lot in the process. Our thanks go to Jillian Stroh, Sharon Baum and Sue Sheffer for sharing their expertise with the club.

The annual March membership meeting and dish-to-pass luncheon is just a little over a week away. Sonia Davies has arranged for a very interesting speaker who will present information important to all horse lovers and owners. I won’t be at the meeting (I’ll be getting a new hip! Yay!) but the CVCA Board will have information to share on many topics - the draft agenda is in this newsletter. Take a look and if you have any additions, please speak up at the meeting or ask Judy Sobczak to add them to the agenda beforehand.

CVCA has put together a varied calendar of events for 2016 based on the feedback from the 2015 CVCA Interest Survey. If you haven’t had a chance to complete a 2016 interest survey, you still may do so - look for the survey in this newsletter and at the March meeting. The CVCA Board relies on input from members so please let us know what you are thinking.

I am pleased to tell you that CVCA has been approached to collaborate on separate ventures intended to increase participation and attendance at our clinics. Look in the newsletter for a full explanation of these opportunities. These topics are also part of the March meeting agenda.

I’m not so pleased to inform you that New York State has rejected CVCA’s application for Sales Tax Exempt status. Long-standing members of CVCA may remember when we were tax-exempt. However, a vendor questioned our status in late 2014, and in the process of verifying our status with NYS, we were told to reapply. In response to our application, the NYS Taxation and Finance department made it quite clear that we do not meet criteria for exemption based on education or amateur sports. Darn. We’ve been operating without tax-exempt status for the past year, so this change won’t make much of an impact.

Hey, but here’s some good news! CVCA has arranged with Lands’ End to be their vendor for CVCA merchandise. You can now log on the Lands End Business Outfitters to order whatever clothing you’d like with the CVCA logo. I LOVE it- I can shop sales and still sport our logo. See full details in this newsletter. (Truth be told, we stole the idea from The NYS Horse Council).

While I won’t see you at the March membership meeting, I hope to see you on the Granger Carriage Museum tour and the Bennett Pleasure Drive. And, don’t forget to register for the Poulin and Crowley clinics! We’ll have a sound system, so auditors can bring a lawn chair and get comfy ringside to see and hear it all.

Be Safe and Drive On!

Carol

Listen to stories of the four generations of Grangers, who lived in this magnificent home from 1816-1930. The tour will begin at 1:30. Car pool with CVCA Members/Friends if you choose. The tour will take about an hour each at both the Mansion and the Carriage Collection and the cost is $6.00 per person. Please call or email Joanne Schoonmaker by April 15th if you’re planning to attend so we can let the Granger Staff know how many persons to plan for. (Schoonmaker@windstream.net or 315-682-4577)

Driving Directions to the Granger Homestead/Museum at 295 N. Main Street in Canandaigua, NY:
From the West: Take Interstate 90 (New York State Thruway) East to exit 44. Follow Highway 332 South to the city of Canandaigua (approximately 7 miles). Granger Homestead is on the left a few blocks before downtown at corner of Granger Street, 1 block after the light at Buffalo Street. The parking lot is off Granger St.
From the East: Follow Interstate 90 West to exit 44, then follow the directions above.
From the South: Take Interstate 390 North to the exit at Routes 5 and 20. Follow 5 and 20 east to Highway 332 (Main Street). Turn north on Main Street. Go through downtown Canandaigua, then look for the large lawn and yellow building which is Granger Homestead. Go through the first block, then look for the large lawn on your right at the corner of Granger Street, 1 block after the light at Fort Hill Avenue.
January Mid-Winter Gathering 2016

Nearly 20 CVCA members gathered on January 16th in Homer, NY for a day-long workshop on horse health, conformation, and the challenges of Combined Driving Events, Horse Driving Trials and Arena Driving Trials. Guest speakers were CVCA members Sharon Baum and Jillian Stroh. Sharon started off the day with an overview of the horse digestive system and the problems of colic. Using a 3D video, Sharon explained the organs of the digestive system, their interrelated functions, and the most common causes of colic.

Sharon presented information on horse conformation. A lively, interactive activity allowed the participants to judge the conformation of various horses to determine which horse had the best conformation based on the ideal. Sharon also showed how she has constructed and organized her horse First Aid kit. She stressed the importance of knowing your horse’s normal TPR (temperature, pulse, respiration) so that you have a normal TPR to use as comparison when you think your horse may be ill. Sharon also demonstrated how to bandage a horse leg properly and participants got to practice on a life-size replica of a horse lower forelimb.

Jillian Stroh got the group familiar with the components of Combined Driving Events (CDEs), Horse Driving Trials (HDTs) and Arena Driving trials (ADTs). Each of these events has three phases: Dressage, Cones and Marathon. In CDEs, HDTs, and ADTs there are four levels: Training, Preliminary, Intermediate and Advanced. There are pony and horse divisions from single to four-in-hand.

A CDE takes place over three days with dressage, cones and the marathon on separate days. An HDT takes place all on one day! Arena Driving trials (ADTs) also take place in one day and are similar to CDEs/HDTs in that there is a dressage and cones phase. The difference comes in the marathon. In ADTs, the marathon is modified to be a series of hazards set in an indoor arena or small outdoor area- no cross-country course needed!

By the end of the day, we were all eager to go home and check our horses TPR, look at conformation, and organize a well-stocked horse First Aid fit. Many of us are ready to take on the challenge of an ADT, CDE or HDT and to get more such events organized in New York State. They look like a blast! CVCA thanks Sharon Baum and Jillian Stroh for sharing their expertise with the club. Because of them, the January Mid-Winter Gathering was a great success. Thank you Sharon and Jillian!
Carriage Driving T&A: Everything You Wanted to Know about Carriage Driving, But Were Afraid to Ask

Held on February 27, 2016 at the Homer Senior Center in Homer, NY, this highly successful 5-hour T&A (traces and axles) workshop attracted 28 participants in addition to two organizers. Of those, 11 were CVCA members. Two of the additional adult participants became new CVCA members. Two leaders, two 4-H members, and one father (and several other younger children) came from the Cornell Cooperative Extension of Cayuga County 4-H Youth Development Horse Program.

Guest speaker Susan Sheffer covered carriage driving safety, tackle and hitching techniques, and reinsmanship. Ms. Sheffer has over 40 years of experience in competitive driving, commercial driving, and instruction (as well as extensive experience riding and instructing riding). She was an engaging speaker throughout a very interactive program. Video clips were used in the safety section. Quizzes were used in each section to structure the T&A throughout the day.

Among other things, I learned more about the parts of the harness, such as a spider saddle and the purpose of the cavesson. I learned that a Pee Mare is a mare that has hormonal imbalances that cause her to be in season nearly continually. One repercussion of that condition is that the mare’s flanks are very sensitive and she can be very reactive to pressure from the shafts (pronounced shaves). There were great questions and discussions all day long about safety and sound driving. Major points made throughout the day were “horses are flight animals – they run first, ask questions later” and “human safety first”.

As co-chair, I witnessed Event Chair Judy Sobczak’s great organizing skills, and her boundless enthusiasm. She chivvied along the rest of us like a blue-ribbon herding dog! She promoted the event very effectively, evidenced by the attendance. She rounded up donations for swag bags from Trina Lally/Merck, Triple Crown, Patty Sheffer/Nutrena, Sandy Pedersen/Ithaca Agway, Mark Christman/Poulin Feeds, American Driving Society, and the Carriage Association of America. Ask me for the Kleenex story sometime. And thanks to her dogged digging, CVCA now has its own portable projection screen. Board member Peggy Walbridge made the library available to the group, and CVCA member Sharon Baum brought CVCA merchandise.

Many thanks go to CVCA member Lorraine VanLuven for bringing the morning refreshments, setting them up, and figuring out the mystery of making coffee in those big pots! Thanks to Peggy Walbridge for the donation of soda, to the Homer Senior Center, and to Anita Jebbett, Homer Town Clerk for her friendly assistance. And big thanks to Sue Sheffer for continuing to share the wealth of her knowledge and her love of driving with all of us – she was great.

Respectfully submitted,

Deb Grantham, Event Co-chair

Collaboration Opportunities Explained

A member of the Genesee Valley Riding and Driving Club (GVRDC) contacted Carol Ilacqua in December to pitch an idea for collaboration among driving clubs/show sponsors in the central and western part of the state. GVRDC met with FEI delegate, Ed Young, to develop ideas that would encourage and increase participation in local driving shows. An idea for five clubs/sponsors to offer year-end awards for participants in pleasure driving shows was born!

The clubs/sponsors involved would be, starting from the west: East Aurora, Genesee Valley, Silver Shoe Farm, Northampton, and CVCA. Participants are expected to be a member of one of the four driving clubs and will be vying for points toward year-end awards in a designated point class in four out of the five following shows: Northampton (June 5th), Lorenzo (July 16/17), east Aurora (July 30/31), Silver Shoe (August TBD) and Genesee Valley (September 11).

End of year awards will be given out at the last show of the series, on September 11th. Winners not at that show will have ribbons mailed to them. The cost to CVCA to collaborate? About $50 - a 1/5 share of the cost of the ribbons. CVCA is also expected to advertise the end-of-year awards to its membership, although we realize that some of the point shows conflict with CVCA events. There are just not enough weekends in the summer!

More details will be shared as they become available!

The second collaboration is with a riding group. Joanne Schoonmaker contacted the Central New York Dressage & Combined Training Association (CNYD&CTA) to see if CNYD&CTA would advertise our clinics to its members. CNYD&CTA responded by asking if CVCA would be interested in their sponsorship of our Poulin and Crowley clinics! CNYD&CTA’s sponsorship would include advertisement in their newsletter and Facebook and volunteers to assist at clinics, if needed.

In return, CNYD&CTA asks that their members be allowed to pay the CVCA member price for auditing and that they be allowed to set up a table with literature about their club at our clinics. The Board feels this is a win/win collaboration- given that the two clubs’ clinics do not compete for the same participants, we feel that it is an opportunity for greater exposure for the sport of carriage driving.

LANDS’ END

CVCA Logo Apparel from Lands’ End

You can now order items directly from Lands’ End with the CVCA Logo embroidered on them. You can even play with stitching colors! Orders will no longer be done using the old form.

When on http://www.landsend.com, go into their Business Outfitters Area or log into http://business.landsend.com. You’ll have to set up your personal account with your name and email. To add the CVCA logo to your Logo Library, use the CVCA Logo #1450555W and the Customer Number #6815293.

If you’d prefer to order from a catalog and/or speak to a real live human, call Lands’ End customer service at 1-800-338-2000. Lands’ End customer service reps are amazingly friendly and helpful. Be sure to give them the CVCA Logo and Customer numbers.

The embroidery cost is $5.95 per item. Turn around time is ten to fourteen business days shipped directly to you, with additional fees for rush orders.

Orders will no longer be done using the old form.

NYC Carriage Horse Update

For now, the NYC carriage horse trade is safe! The NYC mayor did not convince the city council of the Big Apple to put a stop to the long-standing and much beloved tradition. Many equine supporters got involved– give yourself a pat-on-the-back if you were on the “winning” side!

Driving Day with Mrs. Jillian Stroh
Saturday July 23, 2016

Riding Day with Mrs. Cathy Howard
Sunday July 24, 2016

2016 is our 20\textsuperscript{th} year of hosting this show and we are proud to announce a new format:
Your entry fee of $65.00 includes a dressage test immediately followed by a half-hour private lesson to help make your test better.

\textbf{Driving Day Saturday, July 23} with Jillian Stroh, a very talented driver whose qualifications are on her website \url{www.mountainthymetraining.com}

\textbf{Riding Day Sunday, July 24} with Cathy Howard, a renowned dressage instructor who owns and operates Kindlehope Farm in Cooperstown, NY.

\textit{Windswept Acres Appaloosas} provides a wonderful quiet venue because we promote safety for novice riders and/or a schooling opportunity for young or green horses.

CVCA Members Out and About......

Have an activity you want to share? Please send the details to Carol Ilacqua at carol.ilacqua@gmail.com.

The 3rd Annual Bruce Haak Memorial Sleigh Rally was held on Saturday, January 30th even thought there was no snow! Wheels were the order of the day. CVCA participants had a great time!

Hey Club Members!

Do you know that the club has a lending library? It is chock-full of books and VHS tapes but the items are rarely borrowed. Storage is a problem and the VHS tapes are outdated. Is the library still viable in this day and age of electronic media?

The CVCA Board is pondering the future of our library. What do YOU think? For a complete inventory of the library’s holdings, go to the CVCA website at http://www.cherryvalleycarriage.com/library.html

Contact Board members to let them know your ideas for the CVCA library of the 21st Century.

More Goings On........

Martin’s 45th Annual Carriage Auction will be held on April 29 & 30, 2016 at 80 Rocherty Rd, Lebanon, PA 17042
