A Letter from the PRESIDENT~

Spring has "SPRUNG"... Maybe! We're shedding out our horses, cleaning off the mud and getting ready for the "good" weather.

Our March Membership meeting was fairly well attended considering the weather. Thank you to Brian Mitteer and Dana for chairing this event. Dr. Jessica Morgan was our guest speaker. She had an excellent presentation on horse emergencies. It gave us a number of think to think about before, during and after said emergencies.

The Carriage Association of America and the American Driving Society have declared May as the 1st Annual Observance of National Carriage Driving Month. CVCA will contribute to this observance by having our Spring Novice Clinic on Saturday May 10th at the ARISE Farm in Chittenango (see front page for info). We are excited to work with ARISE and member Jennifer Schutz — not only to help out our Novices, but to acquaint people with adapted riding and driving.

We're also having a Pleasure Drive on May 31st at Highland Forest in Fabius, NY (see cover page). This will go along with the observance of CAA & ADS's Month of Driving.

I'd like to welcome all new & returning members since our November meeting.

On a sadder note, one of our former members, Charlie Coe, passed away at the end of February from complications of Alzheimers. Our deepest sympathies go out to his family.

Well, hope to see you at our events.

Jeanne Fero

CVCA President

MARCH MEMBERSHIP MEETING

Fifty members braved the weather on Sunday, March 9th to attend the CVHA membership meeting at the Highland Forest Skyline Lodge. Dr. Jessica Morgan, a DVM from Locke, was our guest speaker. She gave a thought provoking presentation on equine first aid. Dr. Morgan discussed the need for a plan of care for our horses to include the amount we were willing to spend on medical and surgical care. She also stated that horse owners must have a plan for others to have the authority to make these decisions in our absence. Dr. Morgan also talked about the youth and adult educational seminars that she and her husband present at the Morgan Equine & Farrier Hospital. Terri Mather was the winner of the door prize - a first aid kit for horses. In addition to welcoming members, Jeanne Fero outlined upcoming events. Everyone enjoyed the great "dish to pass" food and social time.

EQUINE RESCUE

I have recently gotten a couple of emails from Equine Rescue Organizations and thought I'd pass the information on to you. If you are interested in adopting a horse, check out these websites:

NEER—www.NewEnglandEquineRescue.com

This is a rescue group that NETWORKS both in New England and outside. They do not have a headquarters, but several people who foster hopeful adoptees.

www.Sunshine-Horses.org

This group resides here in Central New York at the New York State Fairgrounds. I know they have more horses than are listed here. Be sure to check them out as they depend completely on Volunteers and they also rescue mostly Standardbreds (who generally ALREADY know how to drive!)

CHERRY VALLEY CARRIAGE ASSOCIATION

Our objective is to promote interest in the driving horse/pony
and restoring horse-drawn vehicles.
